Comments:

8/17/00 - Letter sent closing and retiring this file. Nothing was ever done on this project. SITLA has closed their file.
6/28/00 - DOGM lists status as "inspect" so a fee billing will not be sent - operator may not have a mineral lease for this project. If they do obtain a lease, they will submit necessary paperwork to operate.
5/18/00 - Mr. Carter received DOGM's 5/16 letter regarding submitting form and fee to mine.
5/16/2000 - Sent CRR letter, rules, MR-EXP & MR-SMO form. Requested operator to submit form. Mining noted during 4/18 inspection. Mining without a valid permit from DOGM is a violation of state mining law. Please submit notice within 2 weeks of receipt of this letter or we may have to take enforcement action.
